Core Competencies

- **Programming Languages:** JavaScript, Python, Java, C++, C.
- **Technologies & Frameworks:** React.js, Node.js, Express.js, MongoDB, RESTful APIs, Git/GitHub, SQL.
- **Web Development:** HTML5, CSS3, Responsive Design, DOM Manipulation, React Hooks.
- **Other Skills:** Data Structures, Algorithms, Full-Stack Development, Problem-Solving, Team Leadership, Agile Methodology.

Projects

E-commerce Mobile Phone Platform

June 2024 - July 2024

- Developed a responsive e-commerce platform for mobile phones using MERN stack (MongoDB, Express, React, Node.js)
- Implemented key features including product catalog with filtering capabilities, user authentication system, shopping cart functionality, and payment gateway integration
- Utilized React hooks for state management and created reusable UI components, resulting in 30% faster page load times

Food Ordering Application

January 2024 - April 2024

- Engineered a full-stack food ordering platform with React for front-end and Node.js/Express for backend operations
- Implemented RESTful APIs to handle menu data retrieval, user authentication, order processing, and real-time tracking
- Designed MongoDB database schema optimized for storing restaurant menus, user profiles, and order history

Interactive E-commerce Website

August 2022 - December 2022

- Built a responsive e-commerce website using vanilla JavaScript, HTML5, and CSS3 without frameworks
- Implemented dynamic product filtering, search functionality, shopping cart with local storage persistence, and form validation
- Applied CSS Grid and Flexbox for responsive layouts that adapt seamlessly to multiple screen sizes

Education

B.Tech in Computer Science and Engineering, Lovely Professional University

2022 - Present

Jalandhar, Punjab

CGPA: 6.23/10

Class XII (Science), Boys Higher Secondary School Jawahar Nagar

2019 - 2020

Srinagar, Kashmir

Percentage: 77%

Class X, Jk Public School

2017 - 2018

Srinagar, Kashmir

Percentage: 71.4%

Certifications

- **Data Structures and Algorithms Self-Paced Course** — GeeksforGeeks (October 2024)
- **HTML, CSS, and Javascript for Web Developers** — Coursera (May 2024)
- **Building Web Applications in PHP** — Coursera (May 2024)
